WHO WE ARE

Managing Director

Md. Tanvir Rahaman, manages and supervise all establishments, administrative and legal matters including commercial, technical/engineering, financial aspects of TR SYSTEMS LTD.

To meet business process and application requirements of TRSL, he directs the development team in the design, development, coding, testing and debugging of applications.

Chairman

Sabina Akter is responsible for leading the Board and focusing it on strategic matters, overseeing the Group's business and setting high governance standards.

She plays a pivotal role in fostering the effectiveness of the Board and individual Directors, both inside and outside the board room.

CIO

Md. Nazmul Islam Titas, holds executive position for preserving TRSL's asset portfolios.

He generally supervise a team of qualified professionals and help develop both short and long-term investment plans, recommend investments, and assign assets.

CAO

Advocate Md. Shahriar Arefin Hawlader is responsible for managing the day-to-day operations of TRSL and co-ordinates inter departmental activities. He is in charge of TRSL's legal advisory team.

THANK YOU
